## School Rules

Date written: April 2024

Date for review: April 2027

For the safety and well-being of everyone in the school community it is necessary for us to work within a set of rules.

Our six school rules are clear and simple. They are used consistently and are linked with consequences.

They are:

- Walk quietly on the left.
- Speak to each other politely.
- Keep your hands and feet to yourself.
- Listen to and follow instructions.
- Attend school regularly and be on time.
- Keep the school environment clean and tidy.

At the beginning of each academic year teachers agree with pupils a set of class rules. These are displayed in the classroom to be used as a point of reference for maintaining high standards of behaviour for anyone working in that room; they are revised at the start of each half term.

### Dining Hall Rules

- **Line up quietly and show respect at the servery.**
- **Sit at the next available seat . Remember no saving seats.**
- **Put your hand up if you need to leave your seat.**
- **Please put your packed lunch rubbish in your lunch box and take it home.**

### Playground Rules

- **Be kind to each other.**
- **When called for lunch, line up in a proud way.**
- **Footballs are not allowed in the Fox or basketball zones.**
- **Stay in your own zones and only play with equipment for that zone.**
- **Line up quickly and quietly when the whistle blows.**
